Upper Hall and Bar

The Rose Harms Post's beautiful upper hall is bright and yet has a wonderful warm feeling. We have both 3x8 rectangular and 8 foot round tables. The hall can seat approximately 150 people, depending on which tables you prefer. All of our chairs are cushioned for your guests comfort.

We have a separate walk-through room for the use of your caterer. This set up allows you to efficiently serve food without disrupting guests in the hall.

The upper horseshoe shaped bar is fully stocked and can seat 25 people. Our drink prices are very reasonable plus you can order 1/2 barrels of the beer of your choice.

The lower hall can seat approximately 50 people and has a fully stocked bar. The lower level also has a well equipped kitchen for your use. The kitchen counter can be closed off when not in use. There is additional parking behind the post for easy access to the lower hall.

Lower Hall and Bar
